Canada Revenue Agence du revenu du Canada

#### Why do you need to complete this form?

Taxpayer information is confidential. If you want the Canada Revenue Agency to deal with another person (such as your spouse or common-law partner, other family member, friend, or accountant) as your representative for income tax matters, we need your consent. You can give this consent by completing Parts 1, 2, 3, and 5 of this form.

You can also give or cancel a consent by providing the requested information online through "Authorize my representative" on our Web site at www.cra.gc.ca/myaccount.

#### Part 2 – Giving consent for a representative

You can consent to have more than one representative at the same time. However, you must complete a separate Form T1013 for each representative.

You can change information about an existing representative through our **My Account** online service or by completing a new form T1013. For example, if your representative is a business, you can give us consent to deal with a specific individual in that business. If you want to replace that individual with another individual in the same business, you will have to complete a new form to update your consent. You do not have to complete a new form every year if there are no changes.

#### Note

If your representative is a business and you do not identify an individual in that business as your representative, you are giving us consent to deal with anyone from that business.

#### Does your spouse or common-law partner or other family member need your consent?

Yes. We cannot deal with your spouse or common-law partner, son, daughter, or any other family member without your consent.

# Authorizing online access

You can authorize your representative to deal with us through our online services for representatives. You have to provide the RepID if your representative is an individual, the GroupID if your representative is a group of individuals, or the Business Number if your representative is a business. Our online services do not have a year-specific option, so your representative will have access to all tax years.

# **RepID / GroupID / Business Number**

A **RepID** is a seven-character alphanumeric code that identifies your representative. If your representative does not have a RepID, he or she can register for one online at www.cra.gc.ca/representatives.

A GroupID is a six-character alphanumeric code, starting with the letter G, that identifies a group of representatives. The group of representatives can register online at www.cra.gc.ca/representatives.

A Business Number (BN) is a nine-digit number that identifies the business that you choose to represent you. The BN must be registered with the "Represent a client" service to be an online representative. Your representative can register their BN at www.cra.gc.ca/representatives.

If you complete two or more fields:

- An individual (RepID) will take precedence over a group (GroupID) or a business (BN); and
- A group (GroupID) will take precedence over a business (BN).

#### What will your representative be allowed to do?

When you give us consent to deal with a representative, you are letting that person represent you for income tax matters, depending on the level of authorization you specify, for the tax year or years. Income tax matters include issues related to information on your tax return.

If your representative contacts or visits us, he or she will be asked to identify himself or herself. After we confirm your representative's identification, we will ask for specific information relating to:

- your notice of assessment, notice of reassessment, or other tax documents; or
- the contents of your income tax return.

# Part 3 – Levels of authorization

The level of authorization that you allow tells us what you agree to let your representative do. In some cases, you may want us to disclose your income tax information to your representative, but he or she cannot ask for changes to your account. By specifying the level of authorization, you are controlling the type of access given to your representative.

# Note

If you do not specify a level of authorization, we will assign a level 1.

#### Level 1 – Disclose

We may disclose information to your representative such as:

- information given on your tax return;
- adjustments to your tax return;
- information about your registered retirement savings plan, Home Buyers' Plan, and Lifelong Learning Plan;
- your accounting information, including balances, payment on filing, and instalments or transfers:
- information about your benefits and credits (Canada Child Tax Benefit, Universal Child Care Benefits, Goods and Services Tax/ Harmonized Sales Tax Credit, and Working Income Tax Benefit); and
- · your marital status (but not information related to your spouse or common-law partner).

#### Level 2 – Disclose/Request changes

We may disclose the information listed in level 1 to your representative, and with level 2, he or she may ask for changes to your account. Such changes include adjustments to income, deductions, non-refundable tax credits, and accounting transfers. Your representative will be able to submit a request for taxpayer relief, file a notice of objection, or an appeal on your behalf.

However, your representative **will not be allowed** to change your address, your marital status, or your direct deposit information. We will not give your representative your eight-character access code.

#### Who can change your marital status, address, or direct deposit information?

Only you or your legal representative can ask us to change your marital status, address, or direct deposit information. Also, only you or your legal representative will be allowed to authorize, view, and cancel other representatives you have on your file.

A legal representative can be someone with your power of attorney, a guardian, or an executor or administrator of your estate. That person does not need to complete this form, but he or she has to provide a complete copy of the legal document that identifies him or her as acting in that capacity.

# **Expiry date**

Enter an expiry date if you want the consent to end at a particular time. Your consent will stay in effect until you cancel it, **it reaches the expiry date you choose**, or we are notified of your death.

# Part 4 – Cancelling one or more existing consents

Make note of each consent you give, so you can cancel them when they are no longer needed. You can immediately cancel an existing consent by calling us at **1-800-959-8281** or by using the "**My Account**" service on the CRA Web site. You can also cancel an existing consent by completing **Parts 1**, **4**, and **5** of this form. Your consent will stay in effect until you cancel it, it reaches the expiry date you choose, or we are notified of your death.

# Part 5 – Signature

If you do not sign and date this form, we cannot be sure that you have given us consent to deal with the representative identified on the form. **To protect the confidentiality of your tax information**, we will not accept or act on any information given on this form unless you or a legal representative has signed and dated the form. This form must be received by the CRA within **six months** of its **signature** date. If not, it will not be processed.

# Can you use this form for your business accounts?

No. For Business Number accounts, you have to complete Form RC59, *Business Consent Form*.

# Service standards for processing Form T1013 for individual accounts

Our goal is to process T1013 forms received **during the peak tax time** (mid-March to mid-July) within 20 business days of receipt by the CRA and within 5 business days of receipt by the CRA **during non-peak tax time** (mid-July to mid-March).
